

Fee Schedule 2020

Fee Payment Options

Fees in Advance

Pay Tuition and Boarding Fees for the **whole year** by the close of business on Friday 31 January, 2020, and receive a 3% discount on those fees. Payment of more than one year in advance by the close of business on 31 January means that you pay the 2020 rate for future years' fees and avoid any increases in those future years, subject to changes in Government funding. However, payment of fees in advance for future years does not attract the 3% discount. Extras are charged and payable each term by the due date. The 3% discount does not apply to payment of Extras. Please contact the Business Office for details regarding fees in advance.

Term by Term

Pay each Term's Fees (Tuition, Boarding and Extras) by the due dates as listed below:

Please contact the Business Office by the commencement of Term 1 if you wish to pay by instalments. An agreement, setting out the instalment amount and payment dates, will then be forwarded to you. Fee Schedule 2020

The Wenona fee is inclusive of many extras, including year camps, excursions and comprehensive support of the BYOD Program. This approach encourages participation in these areas and minimises any extras billed to the term account. *There may be cases where it is necessary to partially recharge fees for select excursions.

Wenona parents take responsibility for the majority of the cost of educating their daughters. The NSW Government contributes an average of \$1,631 per student for Wenona girls in Kindergarten to Year 12. The Commonwealth Government contributes an average of \$2,465 per student for girls in Kindergarten to Year 12. (Note 4)
