Dear Parents and Caregivers,

I welcome you to the St Laurence's College community.

St Laurence's College has a rich and proud history of academic, sporting, and cultural excellence since 1915. Located within walking distance of Brisbane's Central Business District and major universities, the College has grown to now educate over 2,000 boys annually from Years 5 to 12. Offering distinctive learning curricula, modern facilities, and extensive co-curricular music, sporting, and faith programs to inspire each student to achieve their best in the classroom and beyond. Our professional teachers make it their personal goal to ensure that each student can achieve academically in the classroom and via after school tutoring. From STEM to Business, Social Sciences, and the Arts, there is a subject to prepare every boy for their tertiary pathway. Each student is supported by a mentor in their Lauries Journey which represents the passage that each boy will take seeing him grow from a young boy into a gentleman. To ensure that every international student who comes to us on a Visa 500 or Short-Term Study Experience feels valued, safe, and their culture is respected, the College offers a dedicated International Student Coordinator who is on-call 24x7 to offer assistance along with an English as an Additional Language/Dialect Specialist who will continually monitor and support each student's academic outcomes. For those students requiring welfare, our College Homestay families open their homes and hearts to welcome international students into their family.

It is my hope that you come to understand the unique Lauries story and that your connection with us begins here.

Regards,

Mr Ben Lowrie
Principal

Past Student Testimonial

David Son (Class of 2022)

I am David Son, 2022 graduate of St Laurence's College. I'm currently studying a Bachelor of Biomedical Sciences at UQ and I have a provisional entry into a Medical Doctor course in the coming years.

I started my Lauries Journey in Year 10 and I have truly enjoyed the dynamic experiences at St Laurence's College. I have met a number of awesome teachers who teach their students with passion and love, which is why I was encouraged and inspired to study hard and keep on track with my learning. I have also made a bunch of friends who walked alongside me in my Lauries Journey and provided me with unforgettable memories. By making sure that I participated in as many sport activities as possible and volunteering for school events, I was able to build more meaningful connections with various groups of people.

St Laurence's College is such an amazing school that gives you an ultimate pride that you will need throughout your life. I can confidently say that I am proud of being an Old Boy of St Laurence's College

Homestay Parent Testimonial

Julisa O'Neill

Being a Homestay family brings us joy and happiness as a family.

We love welcoming students into our family and home. Being a Homestay family for us is about expanding our family connections and ensuring our students experience a warm and positive one.

We ensure we care and support our students like we do for our own children during their Lauries journey.

Facilities

St Laurence's College offers outstanding facilities across three purpose-built and thoughtfully designed campus', harnessing the perfect blend of original buildings and modern, student-centred learning spaces.

St Laurence's College has exceptional buildings, grounds and facilities which are conducive to promoting an effective learning environment.

Special features include air-conditioned, well-equipped classrooms, science and computer laboratories, library plus specialist rooms for music, television, graphics, design and technology. These facilities are complemented by a modern 1,500 seat Performing Arts Centre, Chapel, rooftop field, STEM building and indoor Sports Centre.

The College's playing fields are located at Runcorn, adjacent to the railway station. Nine fields are enhanced by new change rooms and a function centre.

St Laurence's College outdoor education centre, Camp Laurence, is located on five hectares on the western bank of Lake Moogerah.

Take a tour of the campus for yourself via our interactive Virtual Tour available via the provided QR code.

College Staff

The staff of St Laurence's College are a highly qualified, experienced and generous group of professionals who consistently contribute more than would be otherwise expected both within the classroom and beyond.

The distinctive skills/qualifications and experience of the teaching staff include:

✓ Doctorate/Post-doctoral	2%
✓ Masters	24%
✓ Bachelor Degree	98%
✓ Diploma	43%
✓ Certificate	32%

Teaching staff are available before and after school hours to provide academic subject tutorials to students who are looking to improve or excel in their subject area.

Lauries is not just a school.

It is a community.

It is a place of noble history.

It is a place of belonging.
