

**PETER LI - CLASS OF 2019
NSW INTERNATIONAL STUDENT OF
THE YEAR 2019**

"In my time at Knox Grammar School, the teachers really inspired me. I learnt that life is not only about academic success, but also about how to maximize personal value.

I've been very proud of myself being a Knox boy; this feeling starts at the moment when I put on my blazer, and I can say for sure it will remain with me for the rest of my life.

I have decided to study education at university because the role of being a teacher is so important to this world. I am ready to take the challenge."

Peter now mentors international students as part of our Boarding staff
