

CO-CURRICULAR CLUBS

Beyond the classroom, boys at the Senior School have a huge range of opportunities and clubs on offer including:

- Chess
- Computer Club
- Dance classes
- Da Vinci Decathlon
- Drama Club
- Debating
- Design and Technology
- The Duke of Edinburgh's International Award
- Future Problem Solvers
- The Knox Grammarian (school year book)
- Outdoor Education
- Public speaking (including Mock Trial, Mooting, Toastmasters)
- Science (including Robotics, Titration)
- Social justice and volunteering
- Tech Crew – video, sound and technical production

CADETS

Our School's 1,100-strong Cadet Unit, the largest in Australia, has been an integral part of the Knox tradition since its inception in 1929, providing exceptional opportunities for boys to take on responsibility and demonstrate leadership. The Knox Grammar School Cadet Unit is made up of boys from Knox and girls from Ravenswood School for Girls, providing a unique co-educational leadership opportunity.

Cadets learn self-discipline, survival and field skills and participate in activities such as an annual field camp and parades. Participation in cadets is compulsory for Year 9 students and is optional thereafter.

A WORLD OF OPPORTUNITIES

Explore new horizons

Overseas history, academic, music and sports tours take place regularly, including trips to the NASA Space Centre in Houston, USA.

Experience other cultures

Senior boys have the opportunity to participate in cultural, language and youth leadership exchanges to destinations including the United Kingdom, France, Germany, Japan, North America and South Africa.

Give back to the community

Cook a dish for the homeless, fundraise for charity or volunteer for a community organisation; every student has opportunities to make a difference to the lives of others.

A Uniting Church day school for boys K-12 with boarding in Years 7-12

BEYOND THE CLASSROOM

The Senior School is a bustling, energetic place where boys are challenged within and beyond the classroom. Academic excellence and personal growth are woven into all aspects of student life.

Our innovative curriculum, structured especially for boys, breaks down the walls of traditional teaching with project-based learning and an emphasis on integrating technology.

There are so many opportunities to try new activities, whether it be joining the Tartan Army, gaining Surf Life Saving skills, playing in a rock band or discovering da Vinci Decathlon.

KNOX SPORTS AND AQUATIC ACADEMY

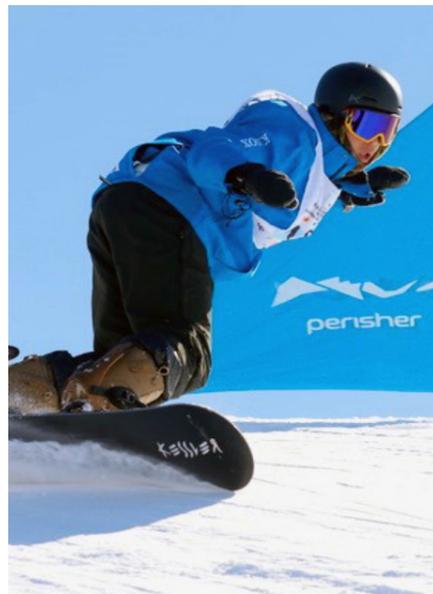

Playing sport is an essential part of every child's education at Knox. Whether they are a novice who loves to kick around a footy or an elite athlete looking for a professional pathway, the Knox Sports and Aquatic Academy aims to instil lifelong habits in sport and physical fitness.

- **Values:** Knox believes in the value of sport in a boy's development and in the values of commitment, fair play, teamwork and the ability to deal with loss as well as success.
- **Choice:** We offer over 28 traditional and non-traditional sports, both individual and team-based, based on demand and student feedback. Sailing, mountain biking, table tennis and fencing are examples of sports suggested by students.
- **Career:** Sport is a growing area in terms of career, whether it is in playing, managing, administration or service. Knox has established pathways and relationships with clubs and professional organisations to allow boys to develop their sport beyond school.
- **Improvement:** Boys and teams are coached by many professional coaches, ensuring they can be the best they can be. All sports have an integrated and sequential based skill development program.

- Water Polo

PERFORMING ARTS

Extensive music, drama and performance activities are offered at Knox to expand and challenge students from Kindergarten to Year 12.

Every student has the opportunity to learn a musical instrument, play in an ensemble, learn to dance, take part in a theatre production, join a rock band or play at ceremonial occasions in the Pipes and Drums.

We believe every Knox boy should have the opportunity to explore their musical skill through learning an instrument of their choice and experience the fun of playing in ensembles. We offer private lessons for over 30 different instruments. Currently more than 500 students (Years 7-12) are enrolled into private music lessons at Knox.

KNOX PERFORMING ARTS CENTRE

The state-of-the-art Knox Junior Academy and Performing Arts Centre, which opened in 2019, is the home of music, drama, theatre and the performing arts at Knox.

This facility includes:

- A 700 seat multipurpose auditorium (the Wenkart Theatre), for music and theatrical performances, with a large stage, an adjustable orchestra pit, cutting-edge lighting and sound equipment, as well as tiered seating
- Drama theatre with 165 seats for intimate drama performances and recitals
- Purpose-built dance studio for traditional and contemporary dance
- Two dedicated large music rehearsal rooms
